

Thank you for your support of the critical work of World Monuments Fund.

Dear [REDACTED]

Thank you for your support of World Monuments Fund (WMF). Your generous donation of \$25.75 helps us safeguard cultural heritage sites at risk throughout the world.

From climate change to natural disaster and human conflict, there will always be threats to irreplaceable heritage. People like you have allowed us to work at more than 700 sites in 112 countries around the world, positively impacting both the sites and the communities that treasure them.

I invite you to explore the conservation projects and programs you are making possible on wmf.org and through our e-newsletter.

Please contact us with any questions regarding your gift at (646) 424-9594 or membership@wmf.org. Please note, donations may take additional time to be acknowledged by mail.

Thank you for safeguarding the irreplaceable – now and in the future.

With appreciation,

Karaugh Brown
Vice President of Development and Partnerships
